

This modern barn-style home blends contemporary design with traditional farmhouse charm, ideal for a family. It features four spacious bedrooms, an office, a media room, and a butler's pantry. Expansive windows fill the home with natural light, while the covered outdoor living area and open patio provide perfect spaces for family gatherings and relaxation. The clean lines, vertical siding, and sleek gable roofs create a striking exterior, making this home both stylish and comfortable.

Floor Area: 262m²
