

Experience our five-bedroom masterpiece with a large single gable, blending contemporary style and functional design. It features aged brick, board and batten cladding, expansive windows, a separate primary bedroom, butler's pantry, media room, and a large open-plan living area with a central fireplace. Conveniently, the laundry is near the bedrooms. The spacious patio includes an outdoor BBQ area and pergola with an optional cover, perfect for entertaining. This home offers the ideal blend of style and practicality.
