

This modern farmhouse blends rustic charm with contemporary design, featuring aged brick and vertical grooved panel cladding. The layout includes 4 bedrooms, a study, two living spaces, a butler's pantry, and large windows that brighten the interiors. Prominent gabled roofs, a minimalist aesthetic, and a neutral colour palette enhance its modern appeal. The expansive outdoor living area with an in-built BBQ is perfect for family gatherings, making this home ideal for creating lasting memories.

Floor Area: 246m²
